

## Specifications

- Total Thickness: 42 mils
- Roll Width: 54 inches
- Roll Size: 40 yards
- Weight: 31.0 ± 1.5 ounces per linear yard
- Cold Crack: -25° F
- Abrasion Resistance: No significant wear after 30,000 double rubs with #8 cotton duck using the Wyzenbeek test method
- 1,000 Hours WeatherOmeter®
- Mildew Resistant

## Flame Resistance

Manufactured to meet the following flammability\* requirements:

- California Flammability Regulation (Bulletin 117, Section E)
- BIFMA Class A
- UFAC Class 1

\* This term and all corresponding data refer to typical performance in the specific test indicated and should not be construed to imply the behavior of this or any other material under actual fire conditions.

## Care and Cleaning Instructions

Morbern Marine vinyl requires periodic cleaning to maintain its neat appearance and to prevent the build-up of dirt and contaminants that may permanently stain and reduce the life of the vinyl if they are not removed. The frequency of cleaning depends upon the amount of use and environmental conditions to which the vinyl is subjected. Vinyl upholstery will absorb stains and dyes from fabrics that “crock” or bleed, for example blue denim or bright prints. A vinyl protective finish, sold in furniture or automotive stores, may help to protect the upholstery by resisting or retarding the absorption of these stains. Some household cleaners and solvents remove plasticizers from vinyl making it brittle.

The procedures used for cleaning are dependent upon the end use circumstances.

In general, most common stains can be easily cleaned using warm, soapy water and clear water rinses. Moderate scrubbing with a medium bristle brush will help to loosen soiling materials from the depressions of embossed surfaces. For more stubborn stains, use the following commercially available mild detergents in accordance with the manufacturer’s instructions:

Formula 409\* All Purpose Cleaner

\*When opening a new container, please test the cleaner in an inconspicuous area as cleaner manufacturers may change formula without notice.

Morbern cannot be responsible when unknown changes are made by the manufacturer of the cleaner to their formulations between our 6-month verification intervals.

### Note:

Detergents should never be used on a regular or repeated basis for normal cleaning. Morbern recommends repeated rinsing with clear water after any cleaning procedure.
